Repo Remarketing announces its partnership with Vendor Transparency Solutions (VTS) as another step in lender commitment

Increasing protection to partners - Repo Remarketing ensures compliance is transparent.

December 9, 2013 (Citrus Heights, CA) - Repo Remarketing announced its selection of Vendor Transparency Solutions (VTS), as an on-line portal compliance monitoring platform. With the importance in detailed compliance, VTS offers a platform to serve present and future needs of the industry and aligns Repo Remarketing for protection and benefit of their many partners.

"Legal, compliance and CFPB are an important aspect for both lenders and service providers. Repo Remarketing continues to take the steps necessary to assist their client base to work more effectively mitigating losses and decreasing risks for their lender client base. This partnership brings compliance together through technology on a robust platform for the ease and protection of the many Repo Remarketing partners." said, Claudia Plascencia, Sr VP of Sales.

Compliance and compliance monitoring is a process that Repo Remarketing prioritizes. Selection in a compliance monitoring platform is just as important. Knowledge of the Compliance/Ethics industry and regulatory guidelines, a secure platform that provides true transparency, live monitoring and knowledgeable support are a few reasons why Repo Remarketing selected VTS to provide this valuable service.

"Repo Remarketing was one of the very first national service providers to submit to the VTS compliance vetting and monitoring process. They realize the regulatory pressures that their clients face in this new era and are taking the necessary steps to assist them and their partners in reaching the highest level of compliance. They are truly one step ahead and leading by example. We look forward to assisting Repo Remarketing, their clients and partners in the process." Said, Max Pineiro, President of VTS
